

CHANGE IN FILE STATUS  
APPROVAL FORM

DATE March 17, 1987

CURRENT FILE NO. DOE/045/005

RECOMMENDED FILE NO. Closed

COMPANY AND MINE NAME Portland Cement Co. of Utah, Little Mountain

REASON FOR CHANGE IN FILE STATUS

The DOE was converted over to a large mining operation (M/045/005) same operator. I recommend combining the DOE into the MRP file. ✓
